

Enrollment Gains As Classes Open In Local Schools

Faculty Is Announced For Current Year In All Schools

With a total enrollment of 1,155, schools in the Tahoe Truckee Unified District opened Monday. The enrollment marked a gain of 124 over the opening day last year when the figure was 1431.

With the exception of Donner Trail where the number of students dropped from 59 last year to 46 on the opening day of the current year, all schools showed a marked increase.

The high school went from 334 on opening day for the 1959-60 year to 401 for the present period.

The Kings Beach registration zoomed from 234 to 380, while Tahoe Lake showed a drop, a loss, of from 416 to 321. This was due to the fact that last year the 7th and 8th grades from Kings Beach were attending classes at Tahoe Lake and this year have returned to their home school. However, the total increase in the two schools gained from 650 to 701 or an increase of 51.

Truckee elementary showed a gain of 17, going from 380 to 405. Additional enrollment in all schools during the first few days after the opening is anticipated. Superintendent John S. Corbin declared.

THE FACULTIES

There are 58 certificated instructors in the five schools of the district with 21 at the high school, 11 each at Kings Beach and Tahoe City, 13 at Truckee elementary and two at Donner Summit. The teaching personnel of each school follows:

KINGS BEACH

Harvey Price, principal; Mrs. Leonora Ferrari, 3rd grade; Mrs. Lorene Goodrich, 1st grade; Mrs. Gloria Horn, 1st and 2nd grades; Dennis Maas, 8th grade; Mrs. Gladys Putynowski, 5th grade; Mrs. Alysma Schultz, 7th grade; Miss Janet Swinney, kindergarten; Bernard Wilen, 6th grade; Mrs. Katherine Wing, 2nd grade; Mrs. Dorothy Corbin, 4th grade.

TAHOE LAKE

Vernon Reynolds, principal; Miss Geraldine Bean, 1st grade; Mrs. (Continued From Page 8)

New Placer Office Will Open Sept. 30

TAHOE CITY—The Placer County Board of Supervisors has authorized a public ceremony to be held for the opening of the new Tahoe administrative center of Placer government.

The affair will be held Friday, September 30 at 11 a. m. and the event is open to the public and all interested people are invited to attend.

The supervisors as well as other county officials will be present at the dedication and it is hoped that a large turnout will be on hand.

In extending the invitation, John M. Bernard, county executive said: "I am sure that the people in the Tahoe area will be greatly benefited by the opening of this branch of county government in their area."

ADVANCE NIGHT TO BE MEETING FEATURE

Advance Night will be observed by Truckee Chapter No. 116, Order of the Eastern Star on September 20 at 8 o'clock when each officer will, for the evening, advance to the office just higher than the one occupied at present.

Mr. and Mrs. Stanley Zwarg will be the evening's hosts and Joyce Peterson assisted by a committee will serve refreshments.

Margaret Craig, W. M. and Sam Faulkner, W. P. will preside at the business session.

TRUCKEE LIONS HOLD MEETING ON KT-22

The Truckee Lions last Wednesday enjoyed a unique experience when they met at the Cornice, far atop famous KT-22 above Squaw Valley.

Forty members and guests enjoyed the ride up the chair lift and the unsurpassed view of Lake Tahoe and the Five Lake region. The ride down after dark, with the lights in Squaw Valley far below was a sight to be remembered by all. The meeting was described as one of the most enjoyable ever held.

OCTOBER MEET

Announcement was made this week that the Truckee Fire Etes will hold their first meeting of the fall on October 6, the place to be decided at a later date.

Out of Hospital—

C. B. White, prominent local resident, who spent a week in the Tahoe Forest Hospital undergoing treatment, has returned to his home much improved in health.

From Fresno—

Mrs. M. Coleman of Fresno visited local friends while taking care of business interests in Truckee.

Elks Golf Tourney Set Next Sunday On Tahoe Course

TAHOE CITY — John Finegan, chairman, reports that the plans for the first annual North Tahoe Sierra Elks Club golf tournament set for Sunday, September 18, are progressing.

All Elks of the North Central District of California have been invited to enter the tournament and any Elk who is a paid up member may enter the play and be eligible for any one of the special awards. The low net and low gross winner of Lodge 2140 will have an expense paid trip to the state convention in Sacramento, October 12 to 15.

Prizes are being donated by various merchants and members will be notified in the next bulletin. After the play, a barbecue will be served around the clubhouse on the Tahoe City Course for players, their ladies and guests. Awarding of prizes and the hole-in-one event will follow the barbecue.

Drivers Warned As Schools Are Open

Hundreds of children Monday began their trek back to school and with the toll of the school bells, a warning note was sounded by Lt. Oliver Ledford, in charge of the Truckee substation of the California Highway Patrol.

"Many youngsters walk or ride bicycles to school," he said, "and some of them are sure to do something that will make them a hazard to motorists. I urge every driver to be extra alert in the neighborhood of schools so that they can avoid turning a youngster's thoughtless act into a useless tragedy."

Children often dart across streets without looking, or appear from between parked cars, Ledford pointed out.

"The basic speed limit in a school zone is 25 miles per hour. Observing the speed limits is not enough, however. Be alert for the child who has momentarily forgotten that death may be lurking only a few feet from him in the form of a moving vehicle."

"The extra movement you take in traversing a school zone can save a child's life," he said.

TAHOE AREA COUNCIL SCHEDULES MEETING

KINGS BEACH — The executive committee of the Lake Tahoe Area Council will meet at the Nevada Lodge Friday, September 16 to review activities of the past 30 days and adopt a program for the fall membership meeting which is scheduled for October 2 at Harrah's Lake Tahoe Club.

The Bi-Tri Planning Commission will meet at Harrah's on Wednesday, September 21 and zoning will be discussed, according to Fred Schultz, the council's administrative manager.

OSBURN SEES NEW BUICK AT FACTORY

Clarence Osburn returned this week from a flight to Detroit, Michigan, where he had a preview, which hundreds of other dealers had of the new Buicks for 1961. He said the new cars are well advanced in design and performance and was especially impressed with the new compact car being manufactured for the coming year by Buick.

As soon as available, the new Buicks will be on display at Osburn's Buick Garage.

BUILDING SURVEY IN COUNTY IS STARTED

Malcolm O. Mau and Wesley J. Barnum were here Tuesday, accompanied by Sheriff Wayne Brown to make the initial survey for the proposed new county building. The firm has been employed by the county to make a general survey of the building needs for the county. They scanned possible sites but will reach no decision for some time.

DAUGHTER BORN

Mr. and Mrs. Erwin Single of Sacramento became the parents of a daughter September 3. Her first weight was 7 pounds, 13 1/2 ounces and has been named Tracy Elizabeth. The young father is well known in Truckee where he formerly attended school.

Arizona Bound—

Mr. and Mrs. Robert Jones have moved from Truckee to Elroy, Arizona.

J. V.'s Open Grid Season As Varsity Game Cancelled

School Will Field Team For Future Games. Says Local Coach

The Tahoe Truckee High School will be unable to field a varsity team against Fallon Saturday on the local field as scheduled, for the reason that an insufficient number of boys turned out for practice prior to the opening of the season.

The league rules require that each boy playing in the regular season have at least ten days practice prior to the game. Since only a dozen varsity players responded, it was not possible to field a team.

However, since the opening of school on Monday, a fair turnout has made it possible to start the season with the Quincy game September 24.

The Junior Varsity game with Fallon will be played on the new local field starting at 11 a. m. Saturday and since these boys have been training diligently for the past several weeks, a good, hotly contested battle is in the offing.

Reports from Reno that the coach here last year exhausted his roster by playing only seniors, without giving thought to the coming years, and that as a result Tahoe Truckee might be without a team, or one far inferior to its opponents, was branded as misleading by Coach Tom Pendergast this week.

"We are not in the best of shape for the opening of the season," Pendergast declared, "due to the lack of practice prior to the opening of the season. However, we are getting organized and can give definite assurance that we will have a competitive group of boys lined up within two weeks."

Some of the key men from last year have graduated, but there is still some excellent material available and with proper handling will give Tahoe Truckee a creditable showing during the current season.

MONEY IS STOLEN IN ROBBERY OF STATION

Approximately \$100 was stolen from the U-Save Service Station west of here last Friday night, according to a report received by Deputy Sheriff Roy Waters from Keith Reid, operator of the station.

The thief gained entrance by prying the putty off a rear window pane which was found on the ground.

The station attendant, Tony Ilardi had placed the evening receipts in a prearranged hiding place in a rear room when he left and indications were that the thief had trouble locating the cash bag as papers and other items were strewn about the station.

NEW OFFICE MANAGER AT LOCAL HOSPITAL

Robert F. Bendorf of Yuba City has arrived here to take the position as office manager at the Tahoe Forest Hospital. The newcomer said he hopes to bring his wife and two children here in the near future and make this their future home. A third son is currently serving in the army.

Mrs. Bendorf is worthy matron of the Eastern Star at Yuba City and wants to complete her term there before coming to Truckee.

KASPIAN MAKES GIFT TO HOSPITAL HERE

The Tahoe Forest Hospital recently received a gift of an Armstrong incubator from George Kaspien for use in the nursery.

This gift will fill a need in the nursery caused by a growing increase in the number of new babies being born during the past year. The board of directors and the hospital staff expressed their gratitude to Kaspien for this most welcome gift.

TO ORGANIZE

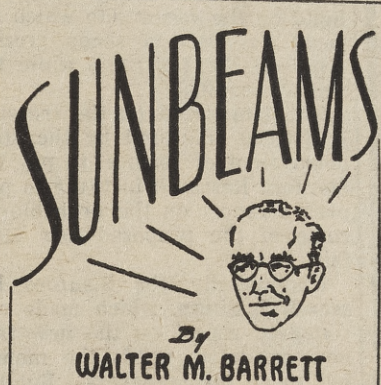

SQUAW VALLEY—Everyone interested in drama and play reading are invited to attend an organizational meeting of the Squaw Valley Drama Society in the Converse room of the United Church of Christ on Thursday, September 22 at 7:30 p. m. Further information may be obtained by calling Rev. Frank Evans at OLYmpic 8-9960.

At Capital—

Mr. and Mrs. Merle Doyle and family who spent part of the summer here are at their home in Sacramento.

Fair Sunday—

Mr. and Mrs. Richard Higgins and children were state fair visitors on Sunday.

The Sacramento Bee has adopted a very sensible approach editorially to the Squaw Valley controversy. It is one which we think well worth repeating: "A state senate fact finding committee has been told \$1.3 million more will be needed to convert Squaw Valley into a full scale park. This would be money well spent. The improvements and additions which this sum would finance are designed to increase patronage at the site of the recent winter Olympics on a year around basis. Studies indicate the increased facilities would reduce the operating deficit by about 80 percent and possibly put the playground on a paying basis. The tremendous growth of winter sports in recent years certainly justifies the state maintaining a park where these activities may be pursued. Traditionally California has not operated its state parks on a money making basis and there is no reason why Squaw Valley necessarily should be an exception. But Squaw Valley does present the practical possibility of achieving the unique position among state parks being self supporting."

Accused Forger Is Sought By Police

A felony warrant charging forgery has been issued against Orville LeRoy Wolfe, 38, employed in this area for the past several weeks who allegedly passed a check forged with the name of Harold Gruendman of Kings Beach on Keith Reid of the U-Save Service Station in the amount of \$20.

Reid told investigating officers that Wolfe had been trading with him for the past two months and that he had cashed a number of personal checks.

Early this month, he told Deputy Roy Waters, Wolfe purchased \$4 worth of gasoline, a \$20 tire and was given \$96 in cash for the \$120 check. Gruendman was contacted and advised the officers that he had never issued the check to Wolfe and a check of signatures revealed, Waters said, that the signature was a forgery.

Waters said he had other similar checks which Wolfe is accused of cashing locally, but thus far only one complaint has been issued.

COAST GUARD WILL VISIT HIGH SCHOOL

The Coast Guard announced today that Tahoe Truckee High School will be visited September 22, at 2 p. m. by a representative of the U. S. Coast Guard Academy.

The academy representative will explain the coast guard cadet program and the opportunities for cadetship open to physically and mentally qualified senior boys who have completed algebra 1 and 2, geometry 1 and certain prescribed elective subjects.

Z MARKET PICNIC IS HELD AT DONNER

Zeph Rose of Z Market was the chef in charge of the annual steak fry held by the store for their employees and families Sunday at the west end of Donner Lake. Water sports highlighted the perfect day for the outing, unanimously voted a success as those held in preceding years.

MRS. SNYDER IS HURT PLAYING BASEBALL

Mrs. Frank Snyder suffered a back injury while playing in the baseball game between the Donner Lake and Truckee mothers of the Little Leaguers and was in the Tahoe Forest Hospital for a week. She has returned home but will be away from her work at the California Highway Patrol office for another two weeks.

JOHNSON ENDORSES FUNDS FOR PROSSER

Congressman Harold T. (Bizz) Johnson yesterday endorsed a budget request of \$3,000,000 to complete the Prosser Creek unit of the Washoe project and \$375,000 to complete outlet and bank protection work on the Truckee river.

The request was made by the California Water Commission to the bureau of the budget.

Plan Luncheon

Assumption Guild will meet at 8 o'clock, Thursday, September 22 in the Parish Hall when plans will be made for the September 25 luncheon when the members will be hostess to the Grass Valley Deaneys meeting. All members are asked to attend session.

Dances At Fair—

Mr. and Mrs. Harry Stout attended the State Fair at Sacramento and had the pleasure of seeing their daughter, Linda, dance in the evening's entertainment program.

COIN BOX LOOTED

An undetermined amount of cash was stolen after a telephone company coin box in a public booth on Donner Summit was ripped open. The burglary was discovered by Frank Fox, division of highways superintendent and the sheriff's office was notified.

RECREATION GROUP PLANS TAHOE MEET

TAHOE CITY—The Placer County Recreation Commission will hold a special "Get Acquainted" meeting at Sunnyside Lodge tonight (Thursday) at 8 p. m.

All persons interested in the recreation problems of Placer County and particularly in the Lake Tahoe area, are cordially invited to attend by Sidney V. Dennison, chairman of the commission.

COIN BOX LOOTED

An undetermined amount of cash was stolen after a telephone company coin box in a public booth on Donner Summit was ripped open. The burglary was discovered by Frank Fox, division of highways superintendent and the sheriff's office was notified.

District Attorney Says Truckee Is Now Incorporated

Town Was Incorporated In 1880 Under Act 104 Years Old

Truckee has been an incorporated town for the past 80 years.

This fact was determined after a study by District Attorney Harold Berliner, who said that the community was incorporated under an act of 1880 when all that was required was a resolution by the county board of supervisors.

Many changes in municipal laws have been made since that time, however, and in order to qualify as a city it will be necessary to hold an election of officers, bring up to date ordinances and other matters pertaining to incorporation.

However, the district attorney declared, it will not be necessary to hold an election to determine whether the town is incorporated as that has been definitely established.

Berliner became interested in the question after it was brought to his attention by Sidney S. Webb of Orinda, whose hobby is investigating ancient and modern incorporation laws and ordinances. It was Webb who unearthed the idea that Truckee qualifies as an incorporated town under the ancient act 104 years old.

Berliner advised that an attorney be engaged to make a close study of details to bring about an orderly and operative form of government. There are many ramifications which must be cleared up, but it is believed that regulations applicable to cities of this class are not retroactive and that it will be necessary to start from "scratch."

One fact was brought out in the study, Berliner said, and that was that the bonding limit for a city, under the act of 1886 is \$3,000.

The legal limits at this time for the city follows: the south half of the southeast quarter of section 10; the south half of the southwest quarter of the southwest quarter of section 11; and the northwest quarter of section 14; the north half of the southwest quarter of section 15 and the southeast quarter of section 16, township 17 north, range 16, east. This embraces the entire area of the town.

It will become necessary to elect five trustees or councilmen, a treasurer, an assessor and a marshal.

Further details will be aired as they are brought to light, but the fact remains—Truckee is an incorporated city, according to the district attorney's opinion.

TAXES FOR PLACER RANGE TO OVER \$10

AUBURN — The combined tax rates for property owners in sections of Placer County has reached a record high, ranging from \$4.55 to \$10.97 per \$100 assessed valuation.

The tax figures were disclosed by Auditor William R. Stephens following the setting of the basic rate at \$1.90.

The highest combined rate is in part of the Placer Hills School District. Other top figures include part of Kings Beach, Lake Tahoe, area \$9.41; Auburn, \$8.33; part of the Eureka School District in western Placer County, \$8.14 and part of Rocklin, \$8.11.

Lowest rate in the county is at Emigrant Gap. Other lows are at Alta, \$4.72; Blue Canyon, \$5.09, and Gold Run and Dutch Flat, \$5.12.

YOUTH IS INJURED IN FALL FROM BICYCLE

Daven Morey, 14, son of Mr. and Mrs. Daven Morey of Gateway, suffered a deep gash on the right side of his head Tuesday evening when he fell off his bicycle at the shopping center. Daven was being pulled by his dog and lost control momentarily and fell against the side of a building and onto the walk. Several stitches were taken at the Tahoe Forest Hospital to close the wound and he was taken home.

KATHEY OSBURN IS FETED ON BIRTHDAY

Young neighborhood friends at Gateway Park helped Kathey Osburn celebrate her birth date, last Sunday at the home of her parents, Mr. and Mrs. Clarence Osburn. A decorated cake, favors and games added to the enjoyment of the group who wished her many happy days.

BENJAMINS VISIT

Mr. and Mrs. Gus Benjamin of Grand Junction, Colorado stopped here on business en route home from Orangevale where they were called by their son's illness. The former Truckee couple celebrated their golden wedding anniversary on New Year's Day at an open house.

Plan Luncheon

Assumption Guild will meet at 8 o'clock, Thursday, September 22 in the Parish Hall when plans will be made for the September 25 luncheon when the members will be hostess to the Grass Valley Deaneys meeting. All members are asked to attend session.

Dances At Fair—

Mr. and Mrs. Harry Stout attended the State Fair at Sacramento and had the pleasure of seeing their daughter, Linda, dance in the evening's entertainment program.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — Very likely if the state of California keeps spending the taxpayers' money for "consultants" to tell it what to do about the California State Fair and Exposition, it conceivably could in a matter of time have spent enough money to build on the vacant site which for years has been a sheep grazing area, off the tax rolls, while the state "consults."

The latest raid on the treasury is \$10,000, allocated by the state department of finance, to pay the Stanford Research Institute to prepare a report on the probable income of the proposed new state fair.

Undoubtedly, the Stanford Research Institute, which made one complete report on the new fair, now out-dated, needs the money, but so do the taxpayers. But the people who pay the state's bills have become inured to continuous charges for "planning" a new state

NOTICE OF TRUSTEE'S SALE

WT 504791 rm

On Thursday, the 22nd day of September, 1960, at the hour of 2:30 o'clock P. M., of said day, in the Lobby of the County Court House in the City of Nevada City, County of Nevada, State of California, WESTERN TITLE INSURANCE COMPANY, a corporation, as substituted trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to wit:

The west 5 feet of Lot 23, and all of Lots 24, 25, 26, 27 and 28, in Block "C" as said lots and block are designated upon the Official Map of the Town of Truckee, filed in the office of the County Recorder of the County of Nevada, July 25, 1890, at 11:10 o'clock A. M.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by GEORGE W. FOWLER and KATHLEEN M. FOWLER, his wife, trustor, to WESTERN TITLE GUARANTY COMPANY, Sacramento County Division, a corporation, as trustee, for the benefit and security of BERNHARD JENSEN and MINNA L. JENSEN, his wife, dated March 1, 1959 and recorded April 8, 1959, in the office of the County Recorder of the County of Nevada, State of California, in Liber 259 of Official Records at page 494.

Dated August 23, 1960.

(SEAL)
WESTERN TITLE COMPANY,
As Trustee
Haskell E. Shedd, Vice-
President
Norman Cheilek, Assistant
Secretary
A25-S1-8-15, 1960

fair and exposition.

There was the Raymond Lowey report of several years ago, which set the state back some \$50,000. There was the maintenance of a staff on the division of fairs and expositions for several years. There was the Stanford report.

Altogether, more than \$350,000 has been expended on surveys, research and consulting on the new fair and exposition. The state paid some \$800,000 for the new state fair site, back in the days when land was cheap. So more than a million has gone into the "new fair," without a single building being erected.

Of course, if the state could sell the site, located off the North Sacramento freeway, it could pay off the bills and show a profit, as the site now reportedly is worth more than \$5,000,000.

But there is a legal question as to whether the site can be sold for \$5,000,000, as it was purchased for the express purpose of building a new state fair. A legal question has arisen as to whether the state can sell the site for any other purpose, or even use it for any other purpose, without first giving the sellers of the land opportunity to buy it back at the price for which they sold.

And few people would turn down the chance to get a piece of land back which has accrued in value more than five times, especially when it has been tax free all these years.

However, this is merely supposition. The state might be able to sell the land and pocket the profits, leaving the state fair and exposition where it is located at the present time. A good many legislators, who have been badgered over the years by Sacramento representatives and civic organizations, privately would like to see this happen.

At the present time, the state fair and exposition has less than a half million paid gate. The fanciful gate figures released by the fair each day when it is in operation include all the free passes, and all of those who work at the fair, which approximately doubles the actual paid gate.

So Stanford Research Institute won't have far to look if it actually wants to give a real picture of what is happening at the present.

DONNER SUMMIT NEWS

By LLOYD W. GAY

BABY SHOWER

A surprise baby shower delight-
ed Mikki Coultrin of Soda Springs
last Wednesday evening at the
Glacier Gap Lodge. Hostesses Mag-
gie Avilla and Mary Williamson
served ice cream "booties", cake
and coffee to the thirty-five local
ladies, including Mrs. Bill Young
of San Francisco. The future ar-
rival will be well prepared, as the
honoree received a bassinet, a

stroller, and many lovely baby
gifts.

PARENTS VISIT

Mr. and Mrs. Squires of Whit-
tier, are visiting with their daugh-
ter Betty, and Wade Hampton of
Norden. The Squires will remain
until Wednesday, and then will
drive Betty to San Francisco where
she will enter the hospital for a
few days checkup.

SHD MAINTENANCE STATION

Construction on the state high-
way department maintenance sta-
tion at Kingsvale is progressing,
and the station may be in use by
December, said Superintendent
Paul Stoltz of Forgeron Corpora-
tion, Bakersfield, which is install-
ing the projects heating, plumbing,

and electrical fixtures. The con-
struction of the maintenance build-
ing is being done by the Brunzell
Company of Reno. Bids were ex-
pected to be let on Tuesday for
the living quarters to be construct-
ed on the site. There will be about
96 rooms, including living, cooking,
and sanitary facilities. These are
not expected to be completed be-
fore next spring.

PROPERTY CHANGES HANDS

Property across U. S. 40 from
the Big Bend Ranger Station was
purchased from Walter Hoffman
by Bertram and Dorothy Bacon of
Cisco Grove. The property in-
cludes a new building just com-
pleted. The Basons have applied
to the Placer County Planning
Commission for permission to in-
stall a laundromat, a coffee shop,
and a trailer park. They also plan
to operate a service station and
several rental apartments. Final
plans depend upon the planning
commission meeting on September
23, but it is hoped that the coffee
shop and laundromat can begin
operations by the first of the year.

RETURN TO COLLEGE

Summit area college students
this year are Nancy Williamson,
who is returning for a second year
at Sierra College in Auburn; Carl
Terkilson, who will be a sopho-
more at Sacramento City College

after completing one year at Sierra
College; and Mitchell Terkilson
who will be entering his first year
at Sacramento State College. A
number of seasonal employees have
left their summer jobs in the sum-
mit area to return to their re-
spective colleges and include, Ron
Forbes of the Big Bend fire sup-
pression crew who will be a senior
at the College of the Pacific, Don
Biagi of the snow lab who will be
studying freshman forestry at the
University of Idaho, and Thomas
Colman of the snow lab who will
be a freshman at St. John College,
Annapolis, Maryland.

MARINE OFFICER

Visiting Lloyd Gay at the snow
lab was Lt. Michael Farny, Morris-
ton, New Jersey, who is stationed
with the Marine Cold Weather
Command at Bridgeport. Lt. Farny
is a mountain climbing and ski
mountaineering instructor at the
marine mountain training school
located near Sonoma Pass.

AUTOMOBILE ACCIDENT

Fortunate to escape without in-
jury was Kenneth B. Chandler of
Vacaville who lost control of his
1960 Buick near the Sugar Bowl
and plunged down a 60-foot em-
bankment. The car did not roll
over and consequently was not
damaged too severely.

WEDDING ANNIVERSARY

Al and Joyce West celebrated
their sixth wedding anniversary on
September 4.

WEEKEND VISITORS

Walt Presser and son were up
from Oakland, spending the week-
end in their cabin near Soda
Springs.

WATER BOARD MEETING

The public board meeting of the
directors of the Donner Summit
Public Utility District was held
last Tuesday in the Donner Sum-
mit Lodge, with Chairman Max
Williamson presiding. A number
of routine business transactions
were processed, and the budget
announced for next year. The ex-
pected engineering report regard-
ing proposals to improve the water
systems was not received, as ne-
gotiations are still under way with
the Southern Pacific Company re-
garding proposals for use of water.
The next meeting of the public

utility district is scheduled for
8 p. m., Tuesday, October 4, at the
Donner Summit Lodge.

WILDERNESS TRIP

Bearded sculptor Walt Schinn
and his wife of Sausalito have just
returned from a three-week back
pack trip in the wild country above
Lake Lola Montez and Buzzards
Roost Lake. Amateur naturalist
Schinn, who spent much of his
time painting and sketching,
brought out several dozen plant
specimens which he hopes to trans-
plant into his garden near the
coast. He also reported extinguish-
ing several fires, one of which was
the abandoned camp fire of a jeep
trip party from Nevada City. This
is the Schinn's third camping va-
cation in the Central Sierra. Ob-
serving their attitude toward our
mountains, I hope that they return
again.

DISPATCH DUTY

Here's something
new. It's a drive-up
phone. And right
now it's being
tested around the
Pacific West to see
if folks find it as
handy and conven-
ient as we think it
is. The idea is to
provide curbside
phone service so
you can call with-
out getting out of
your car—a real
convenience. It's
lighted so you can
use it at night as
well as during the
day. We think you'll find it a faster and easier way to tele-
phone when you're in your car and want to make a call.

September is
schooltime, and a lot
of young people will
be leaving home for
college or boarding
school. Here's one
good way to stay in
touch with them—
by telephone. Lots
of folks set a regular
time for calling and
keeping up on the
news. And more
often than not,
this time is on
a Sunday or
on weekdays
after 6:00 p.m. when station-to-station rates are lower.
The pleasure is big and the cost is small—a lot smaller
than you think—when you keep in touch by telephone.

MUNICIPAL BONDS BUY PROTECTION

The Fireman is in the front line of your community defense, but it takes more than skill and courage to fight fires. It takes money . . . for equipment, fire engines and firehouses.

Money for the vital necessities of community life—schools, hospitals, airports, flood control and many other projects—is raised by taxes and by issuing municipal bonds. These bonds are actually promises to repay borrowed money.

The interest paid on this borrowed money is determined by competitive bidding between groups of investors such as Bank of America municipal underwriting accounts . . . the bonds going to the group willing to accept the lowest rate of interest.

Competitive financing of State and local projects has become a major factor in building California, not only as a place to live, but as a way of living.

If your community is considering a public improvement, the Municipal Bond Department of the Bank of America will be pleased to help you with suggestions on your municipal financing plans. Contact us through your nearby Bank of America branch, or call us direct in San Francisco.

Meets at Wyethia Clubhouse,
Truckee.

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
How freedom from the bondage
of sickness and sin can be gained
through wholly spiritual means will
be emphasized at Christian Science
churches Sunday.

Readings from the Bible in the
Lesson-Sermon entitled "Matter"
will include Luke's account of the
healing by Christ Jesus of the
woman "which had a spirit of in-
firmity eighteen years" (Ch. 13).
One of the passages to be read

DONNER DOINGS

By VIRGINIA O'BEAR

We have been enjoying beau-
tiful sunny weather this past week
after the refreshing rain which
cleared some of the dust and help
put out any smoldering fire which
might have been overlooked. With
this Indian summer weather and
the children back in school, parents
are ready to relax a bit. Speak-
ing of relaxing and getting ac-
quainted all over again with your
neighbors, here's a couple of ways
to accomplish this. There will be
a dance at Smart's this Saturday
night with an orchestra for adults
only. The price of admission is
just \$1.50 and at midnight there
will be a free smorgasbord served.
This event is sponsored by the
Ladies Auxiliary of the Donner
Lake Volunteer Fire Department
and the adult public is invited from
all the surrounding areas to help
make it a lot of fun. Another
event is scheduled at Donner Lake
Lodge this Sunday when the Swiss
wrestlers have their annual meet.
There will be a dance there Satur-
day night and this will take care
of the teen-age group as they
haven't enjoyed a dance since the
Firemen's Jamboree last July. Let's
all get out this Saturday night and
celebrate the near end of summer.

Officers and board members of
the Ladies Auxiliary met with the
dance committee at the home of
Mrs. Ed Doolittle Monday evening.
Last minute details will be worked
out this Thursday evening when
the auxiliary will have their regu-
lar meeting at Donner Lake Lodge
starting at 7:30. Hostesses for the
meeting will be Patti Trower,
Elizabeth Knapp and Ann Merker.
Many members have birthdays this
month so don't forget to take your
gift for the pig in the poke. The

from "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy is our Master, "Take no
thought for your life," we shall
never depend on bodily conditions,
structure, or economy, but we shall
be masters of the body, dictate its
terms, and form and control it with
Truth."

The Golden Text is from John
(6:63): "It is the spirit that quick-
eneth; the flesh profiteth nothing."

STRIKES & SPARES

BY JOE WILMAN
**KNEE BENDS TO
HELP YOUR SLIDE**

"Sophisticated Sally" bowls
once a week in an office league,
and her problem is her footwork.
—Sally is too stiff. She doesn't
bend the left knee enough and,
as a result, her body is too
high. She releases the ball al-
most from an upright position.
The ball bounces down the lane
losing whatever stuff Sally
might have put on in releasing it.

If Sally would watch gals like
Marion Ladewig or LaVerne
Carter, she would see how they
bend the left knee in the final
slide. They get their body and
ball closer to the lane that way.
That's Marion Ladewig's form in
the illustration. See the left
knee bent a bit. It helps the co-
ordination of the arm swing and
the footwork, too.

This stiff left knee seems to be
a fault of many women bowlers,
but some men suffer from it. One
way to overcome it is to
practice your footwork without
the ball. Try moving through
your approach and slide to a
stop. Concentrate on bending
the left knee, using it as a
spring or shock absorber as you
deliver the ball and slide to a
stop. A few deep knee bends to
flex those stiff muscles can also
help overcome this scoring
drawback.

(Copyright, 1960, by National
Newspaper Syndicate)

**KINGS BEACH
BOWL
NOW
OPEN**
KINGS BEACH,
LAKE TAHOE

meeting is Thursday, September 15,
so let's all be there.

The firemen met at the fire
house last Thursday night for their
regular meeting. On Sunday a
group of firemen worked all day
at the fire house painting the out-
side and some worked on the new
fire truck to get it in ship-shape.
I noticed some of them were look-
ing around for the "wench" that I
said was on it last week but all
they could find was a winch. Any-
way, it might have been a typo-
graphical error or it could have
been my mistake, anyway . . . every-
one got a kick out of it. We have
a hard working bunch of firemen
and they have been meeting quite
regularly to keep the equipment in
fine running order, so in case of
fire, they are ready to go.

Rufus Fields and Bill Davis re-
turned from their hunting trip in
Alaska and reported that they had
a wonderful time as well as a very
successful one. They are grateful
to W. Maxey for making the trip
possible because "Maxey" won the
trip that was sponsored by the
Holiday Hotel in Reno and the Wil-
lard Moose Lodge at Kenai Pen-
insula, Alaska, for catching the
largest fish in their fish derby this
summer. Bill and Rufus came home
with some beautiful sets of moose
horns as each one got a big moose.
Bill's moose weighed 1,800 pounds
and Rufus weighed 1,200 pounds
before they dressed them out. They
only brought home 350 pounds of
moose meat and of course the two
sets of horns which will make a
beautiful trophy for each. Bill's set
of horns has a 60-inch spread and
Rufus is proud of his which are 52
inches.

TRAILER HAULERS WARNED ON LIGHTS

The California Highway Patrol
suggests to vacationing motorists
who are carrying camping equip-
ment in their vehicles or are pull-
ing heavy trailers to be sure their
headlights are still in alignment.

"Extra weight in the back of sta-
tion wagons, pickup trucks equip-
ped with living quarters, and even
family sedans can tilt the front
end of the car enough to raise the
headlights to an illegal position,"
CHP Commissioner Bradford M.
Crittenden declared.

Crittenden noted that the vehicle
code provides that automobile
headlights must be strong enough
to light the road so that a person
or vehicle can be seen for a dis-
tance of 100 feet when the low
beam is used and 350 feet when
the high beam is used. But the
lights must not blind an oncoming

Mr. and Mrs. Milan Wight were
up again the past weekend but
their son John spent most of the
weekend in the Tahoe Forest Hos-
pital. John fell from the top of a
bunk bed and suffered a concussion
but he is doing fine and Eloise
said he would attend school Mon-
day. They won't be up again now
for a month or so as Milan teaches
school in Concord.

Mr. and Mrs. David Whitley have
moved back to Donner Lake after
spending several months in Reno.
Dave is working for the Sierra
Meat Company and has the Tahoe,
Truckee, Donner and Soda Springs
route. They are living in one of
Mrs. Allison's cottages and both
are happy to be back.

driver under any load conditions.

"Headlights that are tilted up-
ward because the rear of the ve-
hicle has been lowered by extra
weight can blind oncoming driv-
ers and thus be illegal," he said.
"This problem can be eliminated
by having the lights aligned while
the vehicle is loaded and ready for
the vacation trip."

Ready For School—

Mrs. Dee Osborn who was away
during the summer has returned
here prior to the opening of the
schools.

BOAT OPERATOR IS HELD AFTER MISHAP

STATELINE—John G. Martin,
43, of Kings Beach was arrested
Labor Day for allegedly reckless
driving, speeding, and driving
while under the influence of liquor.
The north Tahoe man was in-
volved in a wreck, although he
was uninjured.

The oddity in Martin's case was
that he wasn't driving an automo-
bile. He was in a boat on Lake
Tahoe.

Martin apparently fell asleep at
the wheel of his boat, and hit the
breakwater near Ken Cobb's resi-
dence in Lakeridge Estates full
throttle.

His boat was demolished.

Notes

By NINA SLADE
Lambert 5-7751
P. O. Tahoma, Lake Tahoe

No nicer way to wave goodbye to summer and salute the blue and gold magnificence of fall at Tahoe than "signing on" for a trip on Bud Scott's "Tahoe" to Emerald Bay and back. The still unmarred beauty of the old fine lake houses and the history that Bud imparts makes the trip perfect each time. Spotted Ed Wallis in his sailboat as the Tahoe zoomed past. Enjoying the trip were West Coast Port Authority members convening at the Tavern. Guests of Elmo Ferrari, port director at Stockton, were Mr. and Mrs. Merrill F. Small, returning to Sacramento after seven years in Washington,

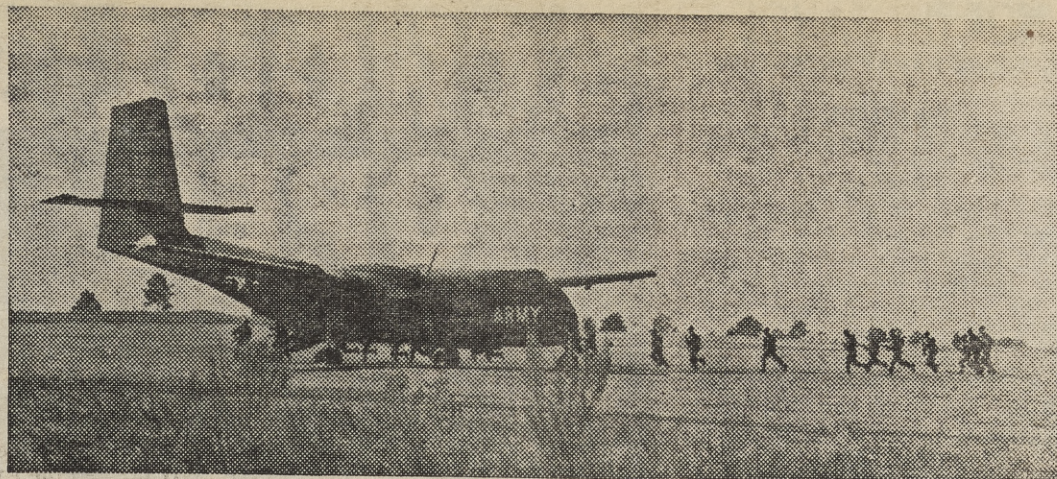

D. C., glad to glimpse Tahoe again. Merrill, who is administrative assistant to Senator Thomas H. Kuchel, will set up an office for him in Sacramento. Currently, the work of Mrs. Small, who is a loom craftsman, is showing in some five museums, including the Smithsonian, and she holds many first awards for her designs. Lt. Governor Glenn Anderson of California addressed the port authorities at their final banquet. Pat DiMingo, reservations manager, declares that after being here for the Winter Olympics, she almost prefers winter to the summer and is planning a Tahoe trip this winter for some skiing.

Mr. and Mrs. Herb Dana of Tahoma and Oakland really get the most out of their Tahoe summers. They've spent some wonderful days in Desolation Valley and other remote areas camping and fishing this summer.

The Dave Donaldsons of Tahoe City enjoyed a recent visit from Mr. and Mrs. Andy Hoffer of San Leandro. Other recent guests were Dave's mother, Mrs. Nancy Donaldson and her brother, Tom Roberston also of San Leandro.

Many Tahoe friends visited Bob Watson at his Highlands home last Saturday to wish him a happy birthday and many happy returns. September birthday salutes also go to Dr. Christian Pedersen, now living in Auburn; Gerda Kvistberg; Deborah Marie Painter of Lake Forest, who blows out four candles; Lillian Vernon Farr; Leonard Bury; Mrs. Rose Donaldson; Jean Henry; Elsie Bell Becholdt; Louise Geier; anniversary toasts to Mr. and Mrs. Dave Donaldson and Carl and Yvonne Becholdt.

The Soroptimists have named Mildred Mathias and Marie Henry, captains of attendance teams, from September 1 until Christmas. The losing team must sponsor and pay

COMBAT TROOPS BOARD THE AC-1 "CARIBOU"—fixed wing transport for Modern Army's aerial mobility. Designed to operate from short, improvised airstrips in close support of troops in forward areas, the "Caribou" can take-off within a distance of approximately 150 yards. It has a range of up to 1,400 miles, is able to haul three tons of cargo or 32 fully-equipped combat troops or 14 stretchers. Brig. Gen. Clifton F. Von Kann, Director of Army Aviation, recently said, "We cannot double the manpower of the Army, but we can more than double the potential use of this manpower through air mobility."

for the Christmas party. The club will have breakfast meetings each first, second and fourth Tuesday at Crystal Bay Club, instead of the luncheon meetings held during the summer.

Gracious hosts to many friends at Tahoe were Mr. and Mrs. John Merrill at a lovely party in their home which is soon to be moved to a new site north of Tahoe City.

Al Fanger's mountain goat blue Jeep, which matches his truck and car, to complete the motif of their home "Peek-o-Blue" at Tahoma, transported daughters Judy, Sheila and friends on a breathtaking but beautiful ride to Ellis Peak, a view of lovely Blackwood Canyon, and dropped down to Bear Lake for a jolly picnic and some fishing. Only one forked horn was spotted on a junket of some 40 miles. Stream fishing was poor. The gold and blue silence of the forest and peaks was only broken by the occasional melodious bell of sheep or cattle as they shifted in the shade or browsed lazily in the sun. Only a faded marker recalled the busy dairy that once flourished in Barker Meadows in 1892.

The Albert K. Miller's entertained the Clark Gables at lunch recently and house guests Warren Clark and Diana Burgess.

The John L. Bradleys spent Labor Day weekend at the lake with daughters Ann and Nora, and Nora's fiancé, Samuel Wolcott.

Guests of Captain and Mrs. E. F. Beck of Tahoma, were Capt. and Mrs. Charles Walker of Danville and Lt. and Mrs. Vance Adams of Petaluma.

Former Tahoe residents, Mr. and Mrs. A. P. Crist, and a party of friends of the bay area were recent guests at the North Shore resort and they called on their old friends.

The Tahoe Woman's Club has their annual collection boxes in all the stores soliciting your contribution of usable worn clothing to be distributed to veterans.

Mrs. Flora Anderson of Oakland leaves this week after a summer at her lakefront home, Tahoma. Her son, Dr. Edmund Anderson and family of Hillsborough will spend a few weeks there this month. Grandson Porter Anderson vacationed with Mrs. Anderson earlier this season.

Mr. and Mrs. Foster Record of Tahoe Pines had a visit from his sister and family, the William Applebys of Napa, and Virginia and Roger. "Butch" Record, having served his stint in the marines, is now at home and working at West Shore Lodge.

Mrs. Lucy Roehl of La Crescenta, mother of Peggy Wheeler,

is spending a few weeks with Peggy at her Tahoma cabin after a long trip from Palm Springs, to Utah, Montana, Washington and Oregon visiting friends and family.

Victor Brochard of Tahoma has returned to the University of California after spending a vacation at Tahoe.

June and Jack Holt of Carmichael, daughter and son-in-law of the J. T. Whites, Tahoma, spent a vacation at the White home. June is recuperating nicely from a recent automobile accident.

Mr. and Mrs. Paul Radcliffe, of San Francisco, who summers at Stanola Lodge, Tahoma, are building a home near Sunnyside and plan to enjoy winter skiing. The Radcliffes were interpreters at the Winter Olympics at Squaw Valley and have delighted their friends with a most interesting movie and tape recordings of the event.

Mabel and Ralph Stanley flew to Van Nuys recently to attend the funeral of Mabel's father, Fred Kottke, who would have celebrated his 85th birthday in November. Burial was in the North Hollywood cemetery.

Fran Smart, of Monterey, former tennis pro at Tahoe Tavern, played in an exhibition doubles match at Squaw Valley Lodge on Labor Day, with Squaw Valley Lodge pro Don Hamilton, Mike Bricksin and Cliff Mayne.

The El Dorado County Board of Supervisors will hold a hearing Monday, September 26, at 3 p. m. at Placerville, on rezoning of land in Tahoe Cedars Tract from unclassified to multi-family residential, of approximately 210 acres.

RE-NEGOTIATION AT SQUAW VALLEY IS SOUGHT BY GEDDES

SACRAMENTO — (CNS)—Assemblyman Samuel R. Geddes, Napa, candidate for the state senate, has called upon Gov. Edmund G. Brown to attempt to secure a re-negotiation of a 27-year contract for concessions at the state park portion of Squaw Valley.

Some of the winter sport area reverted to the Division of Beaches and Parks, following last February's VIII Winter Olympics. The 27-year, 10-month contract was entered into several weeks ago.

Geddes declined to specify his

requires a sufficient stream flow to protect fish life.

The other protests were on the basis of appropriate rights, one prior application, riparian rights and court decrees.

The applicants included the Meyers Water Company, in El Dorado County, which had five applications totaling 14.5 cfs and 406 acre feet of storage. The North Tahoe Public Utility District had two applications totaling six cfs and five acre feet of storage.

Other applications included Oakwood Investment Company, 2.5 cfs; Rosa LaPorte and Harvey E. and Selma C. Blackwell, 3 cfs; Fulton Water Company, one cfs; Alseno and Louise Oppio Fenech, 6,500 gallons a day; Tahoe Tavern Heights Water Company, .9 cfs; and Ruth E. Shurtleff, 300 gallons a day.

The projects are related only to the extent that all are within the Truckee River watershed in the Lake Tahoe area and most of the applications were protested by the same protestants. The joint California-Nevada Interstate Compact Commission has reviewed the applications and reported it has no interest in them.

many objections to the contract but said most of them hinged on provisions which obligate the state to assume unknown cost burdens in return for percentages on income from room rent, ski lifts, stores and other services. Geddes said the percentages appeared to be low and could not be changed for seven years.

Geddes also criticized a portion of the contract which required the concessionaires at the state park to charge the same prices that are charged at other Lake Tahoe area locations.

"We thought we were getting a park," he said. "It will be Squaw Valley, not Squaw Valley, for taxpayers who go there hoping to spend a reasonably-priced weekend in the snow."

Geddes said the contract appeared to be "another pig in a poke, the kind we bought when we first started appropriating for Squaw Valley." He said he would go into details of his objections to the contract when he heard from Gov. Brown.

Geddes has been one of the most consistent critics of the state's part in the Squaw Valley operation. He has called for investigations several times in the past. Once a study was made, indicating all was well, but his other requests did not result in investigations.

DONNER SUMMIT NEWS

(Continued From Page 3)
Avila spent a week working in the dispatch section of the supervisor's office of the Tahoe National Forest in Nevada City. Maggie also assisted a week as night dispatcher at Big Bend. She enjoyed the break from the Glacier Gap Lodge, and in working again with acquaintances made during her four years as Big Bend dispatcher.

SCHOOL STARTS
School began again for 44 children in the summit area when the Donner Trail Elementary School

opened on Monday. Principal Rex Anderson announced an enrollment of 44 with five late arrivals expected. The kindergarten class has nine members, first grade is composed of four, second grade has five, the third grade ten, fourth year students total three, the fifth grade has four, and the sixth grade has nine students. Principal Anderson, who taught last year at Kings Beach, will be assisted by Mrs. Gloria Reid who taught at the Donner Trail School several years ago. The school bus driver will again be Frank Zoll, and Olga Lyddane will prepare the

WEATHER

A delightful shower hit Kings Beach last Saturday.

PASSING

The friends of Mrs. Addie and Larry Free, formerly of the Dunes Motel, Tahoe Vista, wish to extend their heartfelt sympathy to learn of the passing of husband and father, Douglas Free, which occurred in Florida during the past week. While he had been quite sick for some time past, his passing came as a shock to all of us.

LONG TRIP

Our old friend, Harry Johanson left last Friday on a flying trip to his native Sweden. He will be gone for about two months visiting his family and old friends. We hope his trip will be safe and enjoyable.

SHRINE CLUBS

Crystal Bay Club and others was literally taken over by several Shrine clubs over the last weekend. Crystal Bay Club seemed to be the leading club to come in for special hats for the colorful group.

NEWS

News of the Placer County court house is that it will soon be in full swing with several offices coming into being; the sheriff's department already ensconced therein.

We hear that the lake is still too low, according to Art Frodenberg, who keeps close watch on its activities.

LONESOME

Was up at Cal-Neva Lodge on Saturday morning. It looked mighty lonesome. What the activities will be around there in the near future is difficult to ascertain, but we are informed that something interesting will break loose pretty soon.

STOP SIGNS

Joan Malley was here attempting to organize a petition to have more stop signs put on side streets, especially on Bear and streets crossing same. There is no doubt every crossing is a hazard. Help these ladies out by signing same.

VISITING

Had a visit from Mrs. Jeffries and her son. The first time we had seen her for quite a while. She

school luncheons for the children again this year. The Andersons have moved their trailer house to the school grounds, and plan to live near the school this winter. They worked at the Tahoe National Forest's Sardine lookout near Sierraville during the summer, and Mrs. Anderson will remain there with their young son until the fire danger is reduced about the first of October.

SCHOOL'S OPEN

Drive Carefully

TAHOE ITEMS

Forest Parker and Lois Armstrong both of Kings Beach were issued a marriage license at Carson City, Nevada.

The Fred Hatfields of Carnelian Bay will soon leave for Glendale.

Mrs. J. O. Hursey, former well known Truckee and Lake Tahoe resident has recently moved from Phoenix to Glendale, Arizona where she expects to be a permanent resident.

Mr. and Mrs. C. Windsat have

is the daughter of our former friend D. C. Barnett, who passed away some months ago. They sure looked wonderful.

BACK AT WORK

Sure is nice to see Vera Woods, postmaster of Crystal Bay, back at work after a long siege of illness.

DUMPING RUBBISH

Went for a ride with Wade Rouse a few days ago on the short cut and other roads, found a most disgusting sight. Found envelopes in the rubbish with names on them. These people are to be notified by Wade and brought to court. We found out-of-town visitors stay over the weekend and pay off our hospitality by dumping not only rubbish but garbage, too.

sold their place at Kings Beach and now have a Hayward address.

Mr. and Mrs. D. M. Del Carlo of Carmel and Tahoe City planned to accompany their daughter, Miss Ann Del Carlo to Oregon where the latter will enter college as a journalism student.

Brad Jorgensen who will celebrate his fifth birth date on October 1 had the misfortune to break his right foot when he fell recently while climbing a ladder. He is the son of Mr. and Mrs. R. E. Jorgensen of Tahoe City.

Mr. and Mrs. Lee Van Wetter and young daughter, Constance of Tahoe City and Squaw Valley have returned from Squaw Valley where the little girl underwent medical

GOLD!!!!

1848—"gold fever" inspired dreams of overnight prosperity

GOLDEN MOMENTS

In California history—once James Marshall's now famous secret was out, the "Gold Rush" was on. Fortunes were for the taking!

In California life—it's no secret today that beer is the beverage of moderation. Beer means enjoyment... it also stands for prosperity. Each year the Brewing Industry adds over \$40.5 million in taxes to our state treasury—another reason why beer means better living for all in the "Golden State."

COUNTY RANKS HIGH IN REGISTRATION

SACRAMENTO — (CNS) — Nevada County ranked 9th in the state in percentage of population registered to vote for the June primary, according to figures released by John W. Lynch, chairman of the state board of equalization.

Lynch, who is elected from an 18-county district in central and northern California, made the announcement in urging Californians to register to vote in order to defeat Proposition 15, the initiative measure calling for reapportionment of the state senate on the basis of 20 senators from the south and 20 from the north.

He said the accurate percentages of registration could be obtained only once in 10 years, on the basis of U. S. census figures in April and primary registration figures for the same month.

His report showed Nevada County had a total population of 20,563 in April, of which 10,781, or 52.43 per cent was registered to vote.

STUDY OF ROAD NEED IS MADE FOR FUTURE

SACRAMENTO — (CNS) — A comprehensive survey of California's highway needs for the next 20 years submitted by the state department of public works and an advisory committee indicates a deficiency of more than \$12 billion dollars. The report was received by the senate and assembly committees of roads and highways.

Out of a total system of 145,000 miles of highway in the state, more than 100,000 miles are deficient, the report said.

In Nevada County, the deficiency amounts to \$14,150,000, not including the incorporated cities in the area.

COUNTY ASSESSMENT IN LINE WITH STATE

The state board of equalization announced that Nevada County's ratio of assessed value to total value is in line with the state average and that an order for a blanket increase in assessments will not be necessary.

The state average has been computed at 22.6 per cent, and Nevada County's ratio of 23.3 per cent is within the tolerance area. County ratios may vary nine percentage points in either direction of the state average.

It was believed several weeks ago by the county assessor that the county ratio might be far enough below the state average to require a blanket increase in assessments. Actually the ratio worked out to be above the state figure.

PINE CONES WANTED BY FOREST SERVICE

The Tahoe Forest has a tremendous planting job ahead to rehabilitate the area burned over by the Donner Ridge fire, Assistant Ranger Norman Anderson pointed out.

This means many pine cones are needed to furnish the necessary seed to plant and to raise seedlings. The Truckee Ranger Station is asking help in collecting pine cones and will pay up to \$3 per 50-pound bag of cones. The cones must be of certain species and from specified areas.

The cones must pass tests for ripeness before they will be bought by the forest service. For further information and necessary arrangements prior to cone collecting contact the local ranger station at Truckee.

BOARD GIVES NOD TO REDISTRICTING PLAN

NEVADA CITY — The Nevada County Board of Supervisors voted 4-0 Thursday to place the Grass Valley Junior Chamber of Commerce redistricting plan on the November ballot.

The action followed the certification of initiative petitions by County Clerk and Auditor John T. Trauner. The petitions carried 95 valid signatures, more than enough to qualify the measure. Required is at least 10 per cent of the total vote in the last gubernatorial election, which amounted to 864 signatures.

The supervisors had the choice of putting the issue on the ballot or voting to adopt the plan. The board generally stands opposed to the JCC plan, favoring instead a redistricting plan of its own, which the JCC has rejected as being almost no improvement over the present arrangement.

LEAKE ASSAILS NO. 15 ON NOVEMBER BALLOT

VALLEJO — Paul Leake, third district member of the state board of equalization, denounced Proposition 15 on the November ballot as "a cunningly conceived plan which would fragmentize California and create an interregional, not-so-cold civil war."

The outspoken Woodland publisher was guest speaker at a dinner here honoring State Senator Luther Gibson of Vallejo, and Assemblyman Sam Geddes of Napa.

Leake described the reapportionment proposition as a "tricky power deal with a handful of selfish calculating southerners manipulating the cards . . . they're as slick as the old pros at Las Vegas."

"It would jump the number of Los Angeles County senators by 600 per cent—from 1 to 7—while most northern California counties would be left at the curbstone to sell apples."

"The south already dominates the assembly."

"But all Californians—very definitely including those in the south—will be the losers if this effort to make our state a house divided should succeed," said Leake. "We can't possibly solve the great challenges that face us if northern counties become satellites revolving around the southern moon."

It cost California more than \$1 million to clean up littered roadsides last year; help reduce this cost by carrying a trash bag in your car and use it.

Rules Established For Special Hunt

Details of the antlerless deer hunt in this area were announced this week by the department of fish and game.

The area embraced for the hunt, scheduled from September 27 to November 3, is described as follows: Beginning at Donner Pass following the crest of the Sierra in a southerly direction to Miller Lake road; the Miller Lake road in an easterly direction to Chambers Lodge; Chambers Lodge due east to the shore of Lake Tahoe; the shore line of Lake Tahoe northerly and easterly to the Nevada state line; the Nevada state line north to the northern boundary of Nevada County; said county line west to U. S. Highway 40; U. S. Highway 40 southerly and westerly to the point of beginning.

There will be 300 permits issued and these permits are not transferable and are valid only for the class of deer designated. These are antlerless deer defined as female, fawns of either sex other than spotted fawns and male deer with unbranched antlers on both sides which are not more than three inches in length.

Bag limit shall be one deer per permit holder.

The use of bow and arrow as well as the rifle is authorized for the special hunt.

Each deer must be tagged immediately and shall be validated before being transported out of the area.

A DISH FOR BON BONS

A bon bon dish, with handle and decorated with delicate pink floral design is the dish of the week at Heller's Variety Store, made by the William Billingsley factory at Pinxton, England between 1796 and 1814. The ware named Nantgaru is marked with a red letter P and considered very rare, according to the owner, Mrs. Charles Heller.

CAPS STOLEN

Carson White of Donner Lake reported to police that while he was having a sandwich in a local restaurant thieves stripped his car, parked nearby, of all four hub caps. The loss was estimated at \$60.

V. football; Miss Merrillie Witham, homemaking.

WHAT YOU CAN DO TO FIGHT COMMUNISM

AND PRESERVE

Alert yourself—learn the true nature and tactics of communism.

Make civic programs for social improvement your business.

Exercise your right to vote; elect representatives of integrity.

Respect human dignity—communism and individual rights cannot coexist.

Inform yourself; know your country—its history, traditions, and heritage.

Combat public apathy toward communism—indifference can be fatal when national survival is at stake.

Attack bigotry and prejudice wherever they appear; justice for all is the bulwark of democracy.

J. Edgar Hoover

DIRECTOR, FEDERAL BUREAU OF INVESTIGATION

PATRIOTISM IS EVERYBODY'S JOB!

SOROPTIMISTS WILL SPONSOR CONTEST

KINGS BEACH—Opposing attendance teams were chosen at the September 13 luncheon meeting of the Soroptimist Club at Crystal Bay Club, the losing side to be hostesses at a Christmas party, honoring the winning team.

Mrs. John Levra, publicity chairman said that the idea of transferring Red Cross headquarters for the Truckee, Lake Tahoe area to Reno was also discussed. Marie Henry of Tahoe City, a Red Cross worker was delegated to investigate the possibility of having headquarters closer to this district.

The next meeting of the organization will be an evening of fun, each member going to the September 27 affair to be held in the Crystal Bay Club will be dressed to typify one of her cherished teenage ambitions, others guessing the vocation indicated by the costume. President Blanche Donaldson presided at the session.

WOMEN BOWLERS AT LAKE NAME OFFICERS

KINGS BEACH—The North Tahoe Women's Bowling Association met at the Kings Beach Bowl and elected officers for the following year. Mrs. Mary Louise Waddell was elected president. Fran Tompkins, vice president; Barbara Braessler, secretary-treasurer; Joann Rukhula, sergeant at arms and a trophy committee composed of Pearl and Dorothy Martin and Ruby Clackett. Florence Brown will handle publicity.

Ten sponsors have signed up for teams, to form a winter league and play is expected to start next Wednesday at 7 p. m. It was voted to join the Women's International Bowling Congress. Rules of play were formulated and the name of "Tahoe Snowbunnies" was given to this league. More teams may enter later.

FREEHOLDERS SEEK TO ELECT 3 OFFICERS

AUBURN—The board of freeholders has included in a draft of a proposed charter six county offices be appointed and three others be elective.

The 15 member group named the appointive offices as coroner, clerk, public administrator, recorder, tax collector and treasurer, and the positions of assessor, district attorney and sheriff as elective offices.

The board agreed certain county offices were administrative rather than policy making and required special qualifications. The group has deferred a decision of the offices of auditor and superintendent of schools until a future meeting.

The final draft of the charter is expected to be completed in February. The board will give further consideration of the charter's provisions before adoption.

Williams Visit—

Mr. and Mrs. Henry Williams and Mrs. Morris stopped here to greet friends during their first trip to the area in several years. Williams formerly was employed by the Southern Pacific Company at Truckee.

MARRIAGE LICENSE

Ronald F. Rau 21, and Diane L. McGibbon, 19, both of Truckee, were issued a Reno, Nevada marriage license.

The California Academy of Sciences at San Francisco maintains a public museum of natural history, the Morrison Planetarium, Steinhart Aquarium and a scientific library and research department.

SIX BABIES BORN AT TRUCKEE HOSPITAL

New arrivals at Tahoe Forest Hospital during early September have swelled the population of the Lake Tahoe district by six children.

Bobbie Jean arrived on September 2, tipping the scales at 7 pounds, 6½ ounces. Her parents are Mr. and Mrs. Lee Jones of Tahoe City.

Mr. and Mrs. James Mandeville of Tahoe Vista welcomed their son Reese Lee on September 7. He tipped the scales for the first time at 8 pounds, 5½ ounces.

Cary Elizabeth, daughter of Mr. and Mrs. Raymond Sweeney of Tahoe City weighed a round 7 pounds 10 ounces on her birth date, September 10.

Cynthia Lynn were the names chosen by Mr. and Mrs. Peter Scott of Tahoe City for their new daughter who arrived on September 10. Cynthia's first weight registered 6 pounds, 14 ounces.

Mr. and Mrs. Leslie L. Westcamp of Tahoe City became the parents of a son, born September 11 who balanced the scales on his first day at 7 pounds, 7 ounces.

Mr. and Mrs. Gerald Perata of Squaw Valley had an addition to their family September 13 by the arrival of a son.

The given names of the last two boys were not immediately learned.

140 LITTLE LEAGUERS ENJOY MAJOR GAME

The first day of September proved to be a grand and glorious one for nearly 140 Little Leaguers of the vicinity when they started early in the morning for San Francisco accompanied by a adult advisors and other parents of the communities to see the Giants play baseball and tour many interesting places in the bay city before the return trip.

Sixty members of the Tahoe City and Squaw Valley winning league and Ralph Bly, Mr. and Mrs. E. Marier, Mr. and Mrs. Orville Ingram, Mr. and Mrs. Martin Spitsen, their coach Tony Donadio made the trip.

Twenty-three Donner Lake boys with Mr. and Mrs. William Walker, Jack Stowe and Mrs. Robert Roth were also joined by parents and Louis Goicoa. The latter acted as umpire during the games and met the group at Sacramento.

Mrs. Charles Vind, Mrs. Jack Neugebauer, H. H. Thompson, Robert Schooley, Paul Doyle, Dr. H. Tapia and other parents chaperoned 32 ball players from Truckee. Those accompanying the 23 boys from Kings Beach included Robert Fugazi, Harvey Price, Mrs. Jack Felte, Mrs. Walter Pope and other parents.

At School In Davis—

Miss Sherry Thatcher left Sunday to enter classes at the College of Agriculture in Davis where she is majoring in home economics. She is the daughter of Mrs. Judy Thatcher of Tahoe.

Maine's largest natural lake, Moosehead, 1,028 feet above sea level, covers 116 square miles.

DIRECTORS STUDYING LAKE WATER PLANS

KINGS BEACH—Directors of the North Tahoe Public Utility District are studying three plans for providing more domestic water to the community.

A survey recently completed indicated that the district should go into the water business to provide a more adequate service than is currently available. Deficiencies cited include the lack of fire hydrants, low water pressure during peak demand, vulnerability to freezing in winter and lack of uniformity in rates.

Plan A would provide new mains in the commercial area with two pumps for domestic water supply

and a 1,500-gallon per minute pump for fire protection.

Plan B would be the same as Plan A except that a reservoir above town would be substituted for the fire pump in the lake. Plan C would be the same as plan B except the area would be extended to include residential streets.

Plan A or B could be financed through assessment district proceedings and would require an election. The consultants said that plan C if adopted should be held on a general obligation bond issue.

Cost estimates of the projects have not been completed. At the meeting last week, the utility board authorized the engineers to explain the report to include estimates on future growth.

Tarzan

by EDGAR RICE BURROUGHS

WITHIN THE FORTRESS OF THE WOO-MOOS, HIGH CHIEFTESS PAMA'S PROMISE OF A 'SURPRISE' FOR TARZAN BECOMES... A THREAT.

DID I HEAR YOU RIGHTLY, PAMA? DID YOU SAY THAT I AM YOUR GUEST, NOW... BUT I MAY BECOME YOUR PRISONER?

YES, TARZAN-IF YOU REFUSE TO HELP ME GAIN MY REVENGE ON MEN! OBSERVE HOW THE STRENGTH OF WOO-MOOS BENDS HEAVY GOLD RODS... AS THOUGH THEY WERE WIRE!

...BUT BE MY AGENT, TARZAN, AND YOU WILL BECOME MY MAN... HIGHLY REPAID IN LOVE AND GOLD!

DO NOT FORGET THAT I WAS ONCE A FRIGHTENED, ABUSED SLAVE GIRL! NOW FATE GIVES ME THE SECRET THAT CAN MAKE WOMEN SUPREME!

WHO GIVE BIRTH TO THE HUMAN RACE, TARZAN? WOMEN! WHO, THEN, SHOULD RIGHTLY RULE THE HUMAN RACE? WOMEN!

9-18 1541

WEAK BODIES AND THE CONTROL OF THE WORLD'S GOLD BY MEN HAVE BEEN THE CHAINS OF WOMEN! NOW FATE WILL LET ME CHAIN MEN!

Dir. by United Feature Syndicate, Inc.

...COME, TARZAN! BEFORE OUR THIRD WOO-MOO STRENGTH TEST BEGINS, I HAVE SOMETHING TO SHOW YOU! GOLD YOU AND I WILL USE... TO MAKE THIS A GOOD WORLD!

ILLUSTRATED BY JOHN CEARPO

THE HUMAN RACE HAS NEVER HAD PEACE OR SECURITY! BUT, I, PAMA, WILL CHANGE THAT... WITH JUST ONE GENERATION OF STRONG WOMEN!

I SHOW YOU BUT A SAMPLE OF OUR GOLD, TARZAN! LOAD AS MUCH AS YOU NEED INTO YOUR SAFARI... BUY A BIG AIRPLANE... FLY TO THE NATIONS I SELECT... AND BRING ME, FROM EACH COUNTRY, TEN YOUNG, INTELLIGENT ORPHAN GIRLS!

THAT IS THE TASK I HAVE FOR YOU, TARZAN!

IDOL OF MILLIONS OF WOMEN, MARLOW BRANDIRON IS ON THE LAM FROM HIS MOVIE COMPANY --- WHY ???

CAN'T YOU (GROAN) GUESS, OLD-TIMER?

YOU KEEPS SOBBIN' THAT SOME KLUNKS IS GONNA FORCE YOU T' DO SOMETHIN' AGAINST YER WILL!! BUT YOU AIN'T TOLD ME WHAT THEY'RE FORCIN' YOU T' DO!

YER RICH, AN' FAMOUS - AND HALF THE TOMATOES IN THE WORLD'D SCRATCH THE EYES O' THE OTHER HALF FER SO MUCH AS A QUIVER IN THEIR GENERAL DIRECTION - KEERECT?

KEERECT - EXCEPT ---

IT MEANS LESS THAN NOTHING TO ME IF THEY FORCE ME TO (GULP)... I CAN'T (SHUDDER) SAY IT!

SAY WHAT, FER PETE'S SAKE?

--I'M (GROAN) TRYING--WITH ALL MY MIGHT---I FEEL IT COMING--NOW IT'S STUCK IN MY THROAT--IT'S CHOKING ME---

THIS OUGHT TO HELP JAR IT LOOSE -

BATH!!

YOU MEANS T' TELL ME THAT THEM BLARSTED APES IS TRYIN' T' FORCE YOU T' TAKE A BATH AGAINST YER FREE WILL ??

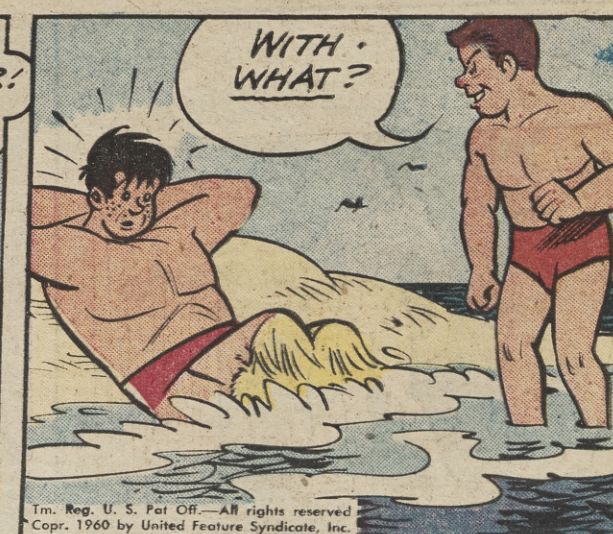

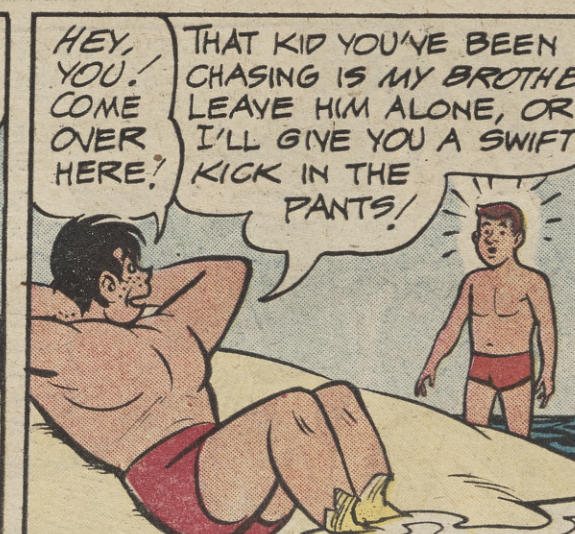

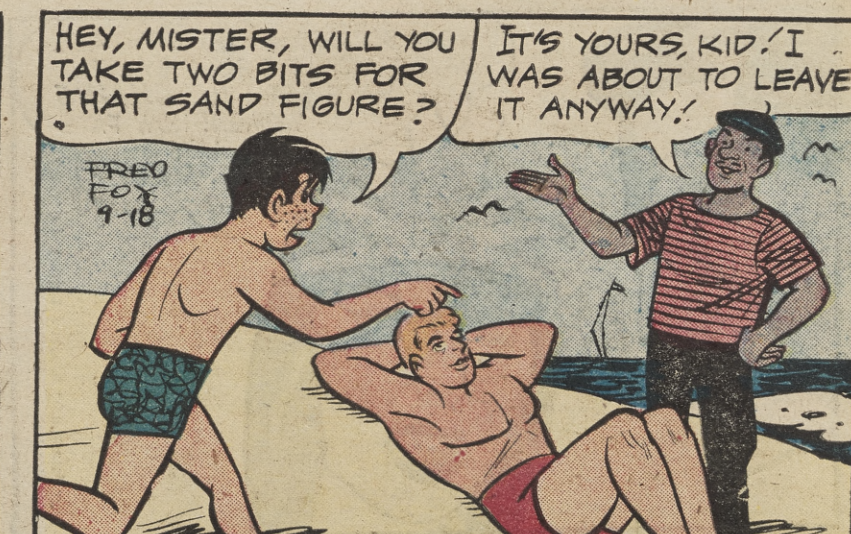

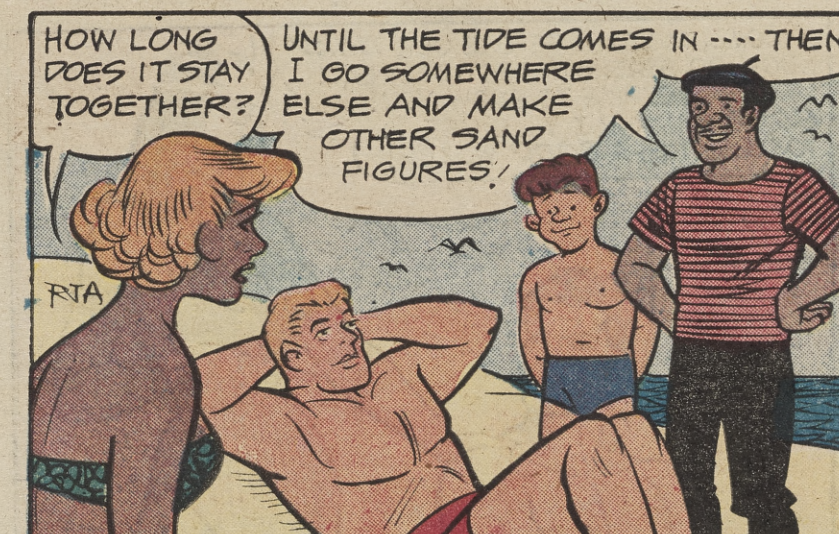

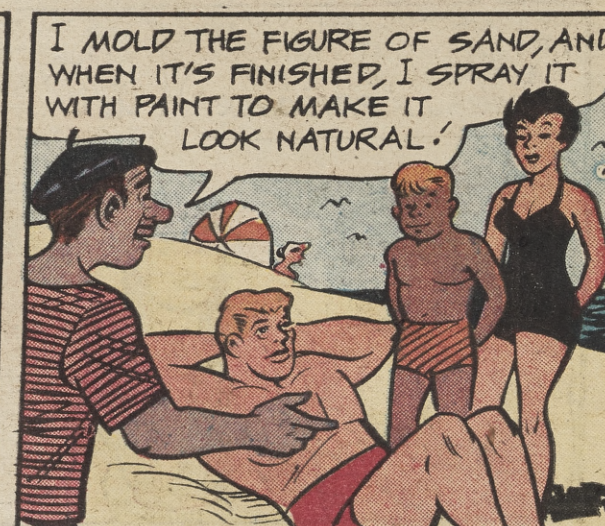

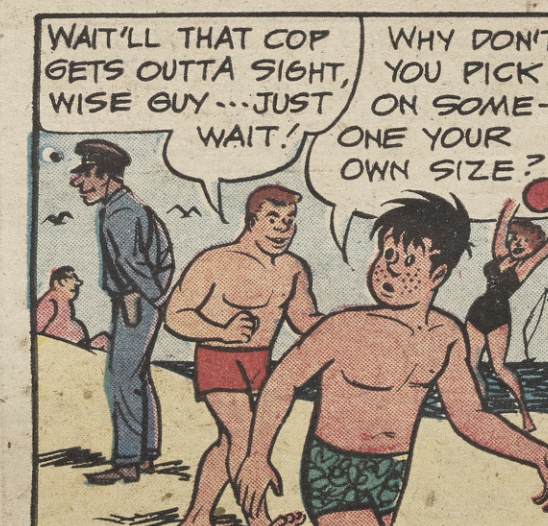

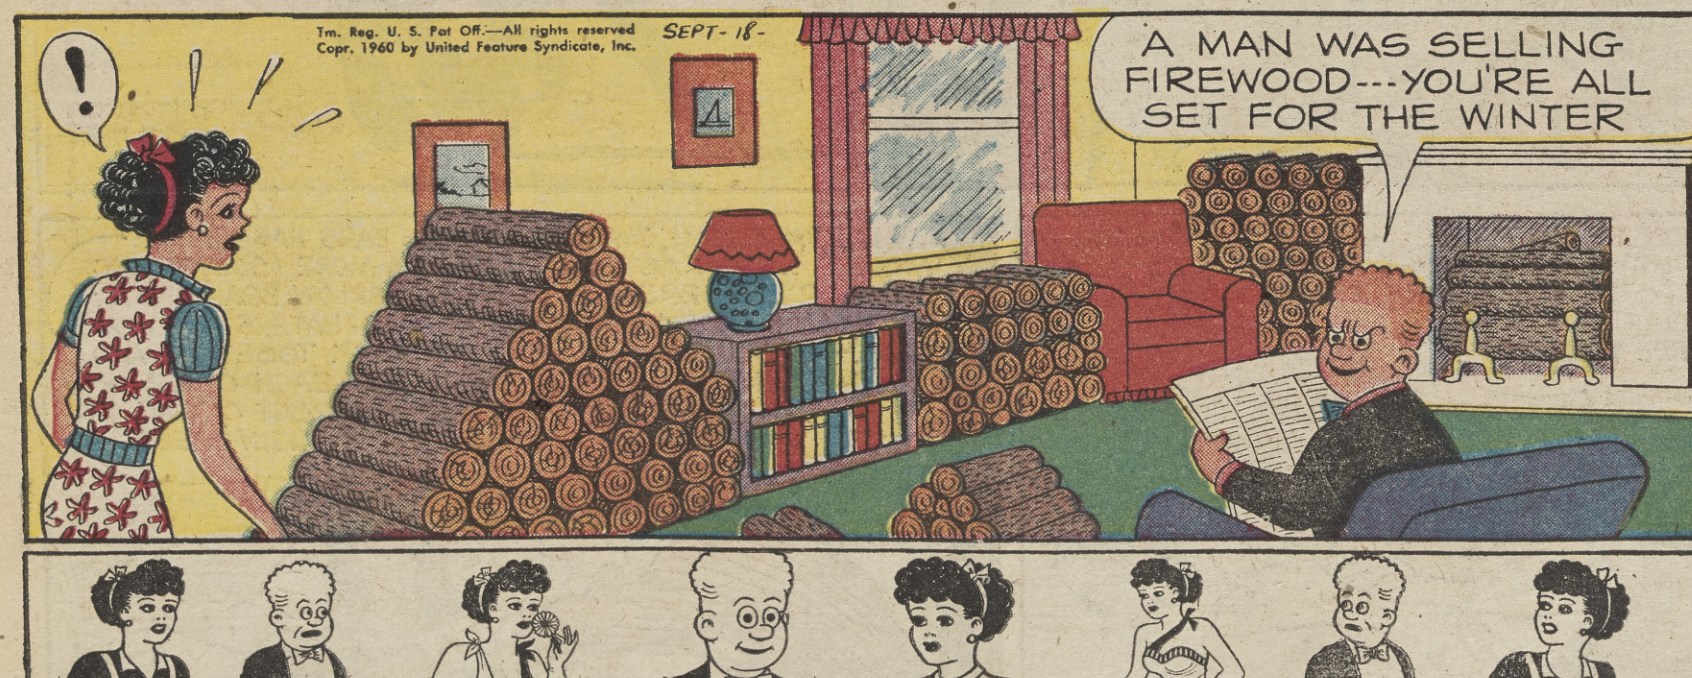

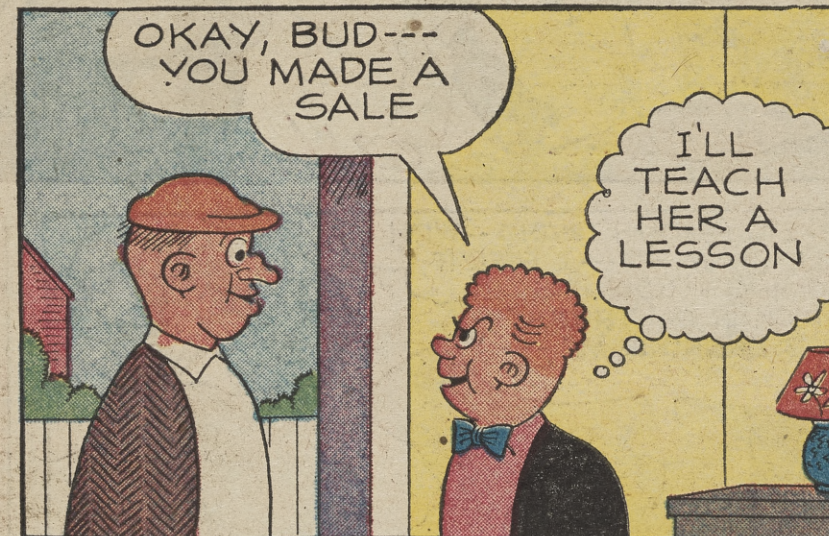

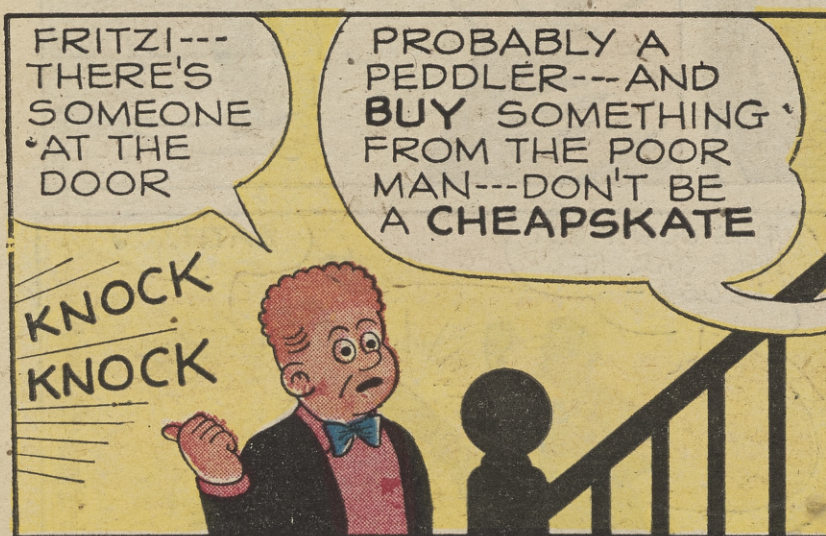

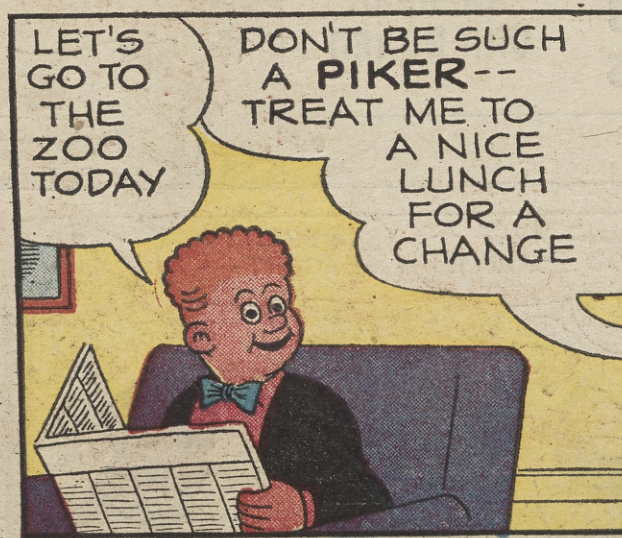

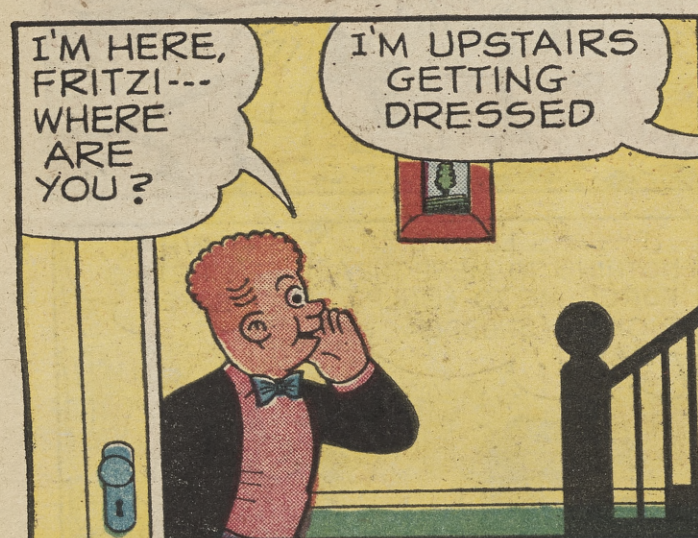

Y-YES!!

WHEN I'M CLEAN, I'M NOT MYSELF, I CAN'T ACT, OR TALK--OR EVEN BREATHE PROPERLY!! DIRTY, I'M A STAR - CLEAN, I'M A HAS-BEEN!

THESE EARS HAS NEVER HEARD A MORE (SOB) TRAGIC-STORY, MARLOW BRANDIRON! US BATH-HATERS HAS GOT TO STICK TOGETHER AND HELP EACH OTHER OUT O' THIS UGLY MESS!

WE NEVER SAW A
REAL PRIZE FIGHTER
BEFORE, DADDY.

WELL, PUG AND I GREW UP TOGETHER
AND WHEN I HEARD HE WAS TRAINING
HERE FOR HIS BIG FIGHT,
I THOUGHT YOU MIGHT
ENJOY MEETING HIM.

HE'S JUST TRAINING WITH
ONE OF HIS SPARRING
PARTNERS.

LOOK! HE'S
FIGHTING
ALREADY.

IT SURE LOOKS
LIKE A REAL
FIGHT TO ME,
DADDY.

THAT'S
A ROUTINE
THING, PAT--
TO KEEP HIM
IN CONDITION.

WELL, IF IT AIN'T MY OLD SCHOOL CHUM,
TOM TOODLE! I'M SURE GLAD YOU
DROPPED IN. ARE
THESE
YOUR
KIDS?

YES, PUG.
THEY NEVER SAW
A FIGHTER BEFORE,
AND I THINK PAT
WOULD LIKE TO
FEEL THOSE BICEPS
OF YOURS.

OKAY, PAT--
COME
AHEAD,
AND
TELL ME
WHAT
YOU THINK
OF 'EM!

GOSH... THEY'RE THE GREATEST!
THEY'RE ALMOST AS BIG AS A
MUSCLE!

KING CHILDERIC of France, WAS DEPOSED
BY ENEMIES, WHO CUT OFF HIS LONG HAIR...
IT WAS THE LAW THAT NO
MAN WHO HAD SHORT HAIR
COULD BE
KING OF
FRANCE!
